# Electrical Works

We usually Deal with Saudi cables company for power carrying from panels to electrical fixtures by circuits systems.

Electrical wire for power distribution

Grounding building during construction by tighten bare copper wires to the earthening pits.

Earthen for electrical fixtures

## Electrical Works

Electrical Cables for delivering power from main panel to Sub panels or power breakers. We used different sizes of cables according to the required Amperes and voltages. Our dealers include Saudi cables company and Bahra or Fanar cables companies according to specifications.

Data CAT6 cables for telephone and DATA outlets. Our company used CAT6 cables to install data and Telephone outlets. By extending these cables from server Rack to outlets through PVC or EMT conduits.

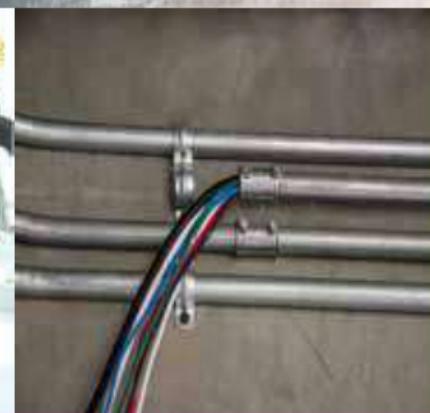

## Electrical Works

Arabian Skill contracting company used low currency wires for security fire alarm to connect between fire alarm, heat alarm, manual breakdown , alarm bell, serine fire alarm systems and fire alarm control panels. Extending it through PVC or EMT conduits.

Samples of conduits and fitting for wires extended through pipes.

## Electrical Works

Lighting protection system using bare copper, from FURSE company with fitting and air terminal tapper rods ,Rectangular copper connectors ,Clips and other accessories.

For all lighting protection systems Arabian skill company use copper rods and fittings for installing testing and commissioning.

# Electrical Works

Connections style

Samples Self- explaining for Air Terminals and horizontal and vertical bare copper rods with clips ,nails, and other connecting accessories.

Final earthen Pits where all vertical down rods connected and get buried with 3M long Rod with salts and Charcoal powder.

## Data , Telephone & Power Outlets

Using conduits wires and fitting as mentioned before Arabian skills install Data , Telephone and power outlets in wall flush or floor box mounted.

## Electrical main and distributions panel boards, Breakers, Transformers, RMU, ATS & UPS

Automatic Transfer system ATS

Main Distribution panel Board

Three Phase transformer

Distributions panel board

Dealing with different supply companies such as Musaid switchgear factory company LTD, ABB company Arabian skill contracting company members provided and installed projects.

# Circuit Breakers and enclosures for external uses

Industrial Enclosure with breaker enclosure

Outdoor circuit breaker with enclosure

Three phase circuit breaker

RMU for Low voltage Power

In all electrical distribution Panels and electrical fixtures such as ACs Outdoor light we use circuit breakers either with enclosure or circuit breaker inside panel boards.

# Electrical light fixtures LED or Fluorescents Lamps for Indoor ,Outdoor, Gardens & Swimming poles

False ceiling mounted  
LED 60 X 60 Light

Indoor corridor Exit  
light directional

Indoor false ceiling  
chandler light

Group of Emergency  
light fixtures

Using wires , conduits, breakers sub main panels we install light fixtures as per designs and client requires. We have purchased light fixtures from SLC, Nardeen, NVC, N-Nasser & Garden lights trading company.

As per specification and required quality of the signed contracts

## Outdoor light fixtures & swimming pool light fixtures

Ballard sideway outdoor lights

Street poles light

Swimming pool light

Flood light for outdoor

Using wires , conduits, breakers sub main panels we install light fixtures as per designs and client requires. We have purchased light fixtures from SLC, Nardeen, NVC, N-Nasser & Garden lights trading company. As per specification and required quality of the signed contracts.

# Fire Alarm system addressable & analogue types

Fire alarm panel and detectors

Fire alarm connecting systems

Manual glass breaking point

Fire alarm items connecting wire

We have supply and installed both types of fire alarm system, addressable and Analogue in different projects as contract specification and material approval .we dealt with SAFICO,& AL-Otaishon company.

## CCTV system low currency items

Weatherproof outdoor camera

Indoor camera

NVR

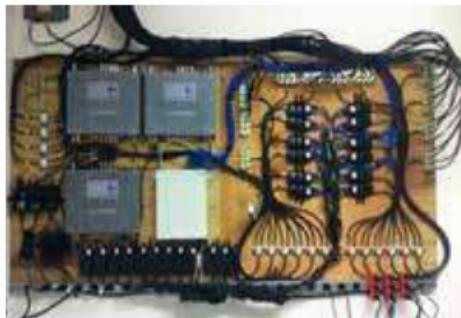

LC 65" displaying screen

We supply and install CCTV system for indoor and outdoor with displaying screen and NVR get connected by CAT6 belden cables and conduits then configuration test and commissioning .

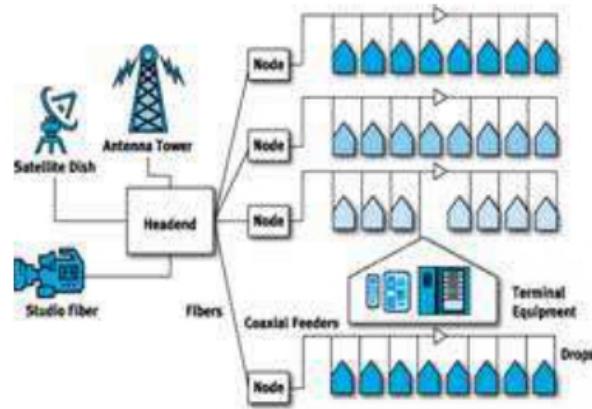

# TV System ,Dish, and satellites

TV Signal Nodes

TV Signal control panel

TV channels wiring and organizing

TV Dish and receiver

# Audio system for conference rooms and meeting rooms

Rack for accommodating low currency items

Digital mixer amplifier

Set of audio system including mic stand and fittings

Ceiling mounted Speaker

Our company supply and install audio system for meeting room using all the above mentioned items with skilled man power for projects we deal with TAO & Germany type amplifier for sound system.

## Mechanical works - Fire Fighting System

Seamless steel &  
threaded steel pipes

Set of groove ,thread  
& flange fittings

Pipes connecting  
items

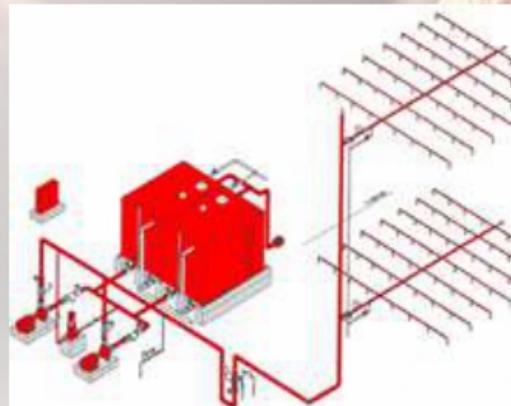

Set of flow control  
and isolation valves

Arabian skill company is supplying and installing firefighting pipes and fitting according to plans and specifications for projects.

## Mechanical works - Firefighting Pumps

Firefighting set of pumps include jokey, electrical and diesel pumps

Sample of pipe net system

Set of firefighting sprinklers

Firefighting hose

Arabian skill contracting company are very skilled in supply and installing firefighting items with pumps according to the flow capacity and pressure bars pumps are selected tested and installed.

# Mechanical works - Fire suppression Gas and foams Cylinders

Carbon dioxide fire suppression system

Foam cylinders for fire suppression

FM200- firefighting system

ABC dry powder cylinders for

Arabian skill are very professional in supply and installing fire suppression foams, FM200-, Co2 and dry powder ABC cylinders for applying safe and clean firefighting for DATA and server areas.

## Mechanical works - Liquefied Petroleum Gas LPG System

LPG vertical tank with evaporator

Heavy duty copper pipes and fittings

Temperature Gauge

Area control alarm

Arabian skill company members are very experts in supplying and installation LPG system in the building.

# Mechanical works - Heating ventilation air conditioning system

Window mounted AC

Free stand split AC

Package type AC

Wall mounted split type AC

Arabian skill company is very expert in supplying and installing window mounted AC, free stand split type AC , wall mounted split type AC, and Package type AC .

## Mechanical works - Ducts and Air flow controlling items

Air Ducts

Air Ducts

Air Ducts

Air Ducts

Arabian skill company are very qualified in Duct works, duct control dampers, air outlet diffusers, supply and return ducts.

# Mechanical works - Water supply system ,pumps, aboveground tanks

Installed water pump  
with pressure tan

UPVC,CPVC & PPR  
pipes for water supply

Fiber glass water tank

Water supply pump

Arabian skill contracting company is very professional in water supply system, water pumps ,UPVC,PPR,CPVC pipes installation and fiber glass water tank with different sizes.

## Mechanical works - Electrical Elevators supply and installation.

MITSUBISHI ELECTRICAL  
ELEVATORS

Kone Elevators

Dealing with suppliers such as Kone, & Mitsubishi ,Arabian skill company members supplied and installed electrical elevators.

# Plumbing works

PPR pipes for hot water supply

UPVC with different schedules

Sample of converter from UPVC to GI

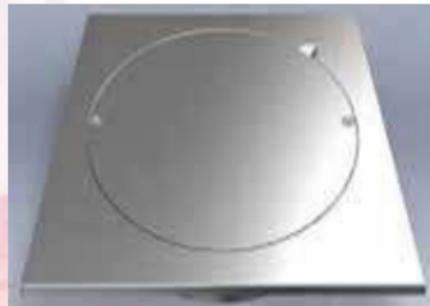

Set of fittings used in water & drainage

Dealing with Sappco for pipes and Aplaco for fittings ,Arabian skill executed many water supply and drainage projects in KSA.

## Roof and Floor Drainage fixtures

Roof drainage fixture

Floor cleanout  
Drainage fixture

Angular roof  
drainage

Floor drainage  
channel

Arabian skill contracting purchasing drainage fixtures from Saudi cast and Saudi ceramic companies for floor cleanout in their drainage works in many projects .

# Sanitary wares and water heater

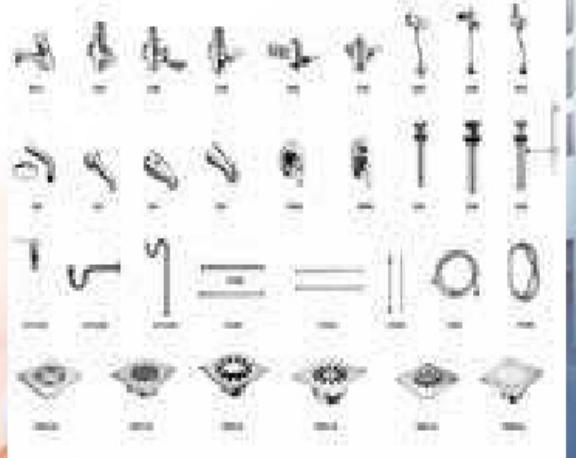

Sanitary ware WC.&  
and hand wash Basin

Different sizes of  
water heater

Sanitary wares and  
fittings

Stainless steel double  
bowl kitchen sink

Arabian skill contracting company is well known with sanitary ware and water heater supplying companies , such as Saudi ceramic , Sara ,Bradford ,Alnajran & other companies.

## Internal and external walls

Cement block wall

Red brick wall with  
cement – sand

Glass partitions

Gypsum board  
partition

Arabian Skill contracting company constructed many cement-sand walls, Block and brick walls and dry walls, Gypsum board and Glass walls.

## Doors and windows

Sample of wooden doors

Automatic commercial glass-aluminum frame door

Garage Roll-Up metal door

Arabian skill contracting company supplied and installed different types of doors ,such as wooden doors for internal rooms, PVC doors for bathrooms, automatic doors with cards or finger print entry or without, rollup doors for garages and commercial store outdoor and emergency doors with different sizes .

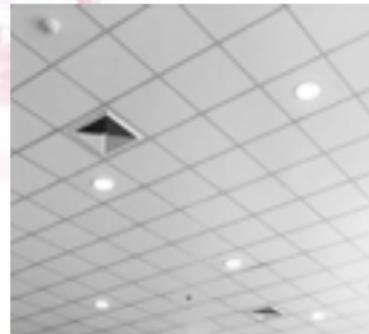

Red brick wall with cement – sand

# False ceiling works, Gypsum board and Armstrong tiles. Profile and paintings

Gypsum boards for  
false ceiling

Tiles false ceiling

Profile paints

Wall paints

Arabian skill company performed many different false ceiling using gypsum board Armstrong tiles. used profiles and painting for wall paintings internal and external.

## Mechanical works - Ventilation and Exhaust fans

Factory Exhaust fan

Centrifugal up blast  
ex-fan

Heavy Duty Exhaust  
Fan

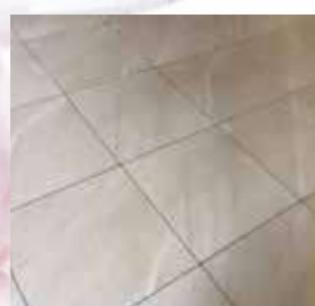

Bathroom Exhaust Fan

In the area, of air exhaust, Arabian skill company is very skilled in supplying and installing air ventilation & air exhausting fans such are in factories ,Bathrooms, roof installed centrifugal exhaust fans and wall mounted heavy duty exhaust fans.

# Building external face cladding

Stone cladding

Granite cladding

Cement Board  
Cladding

Aluminum Cladding

Arabian skill contracting company ,supply and install to the best quality level façade wall cladding using stones ,granite, cement board and aluminum sheets each cladding according to the professional methodology of installation.

## Floor works ceramic ,porcelain, Granite and Epoxy floor paints.

Ceramic floor tiles

Porcelain floor tiles

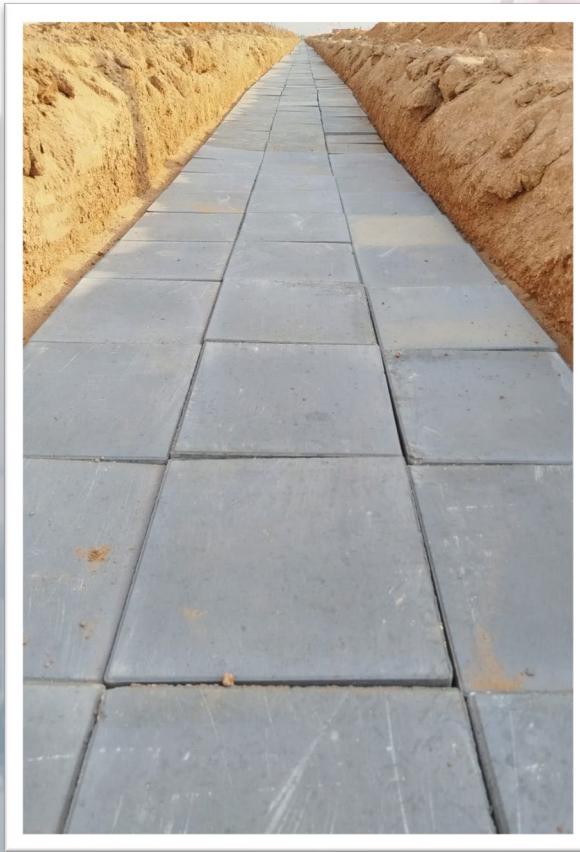

Triangular granite  
floor tiles

Epoxy floor painting.

Arabian skill contracting company executed its contracted projects floors by supplying and installing ceramic , porcelain, granite and Epoxy painting according to the client desires and material specifications.
